

INTERPERSONAL BOUNDARIES FOR WOMEN

This group facilitated by mental health therapist, Tamielle Taylor, LCPC, presents a therapeutic and supportive place for women to reflect on boundaries and their fundamental role in interpersonal interactions. It provides an integrative format in which women can obtain psychoeducation about boundaries as well as offer support and encouragement to one another as they pursue growth and change.

When: Fridays 6:30p to 7:30p

Where: Online via Zoom.

Cost: \$50 per session.

Participants must register.
